HOMEOWNERS ASSOCIATION**

11555 Central Parkway, Suite 801

Jacksonville, FL 32224

Office: 904-998-5365, Ext. 223

Fax 904-998-5366

Contact: Alice Hubbard

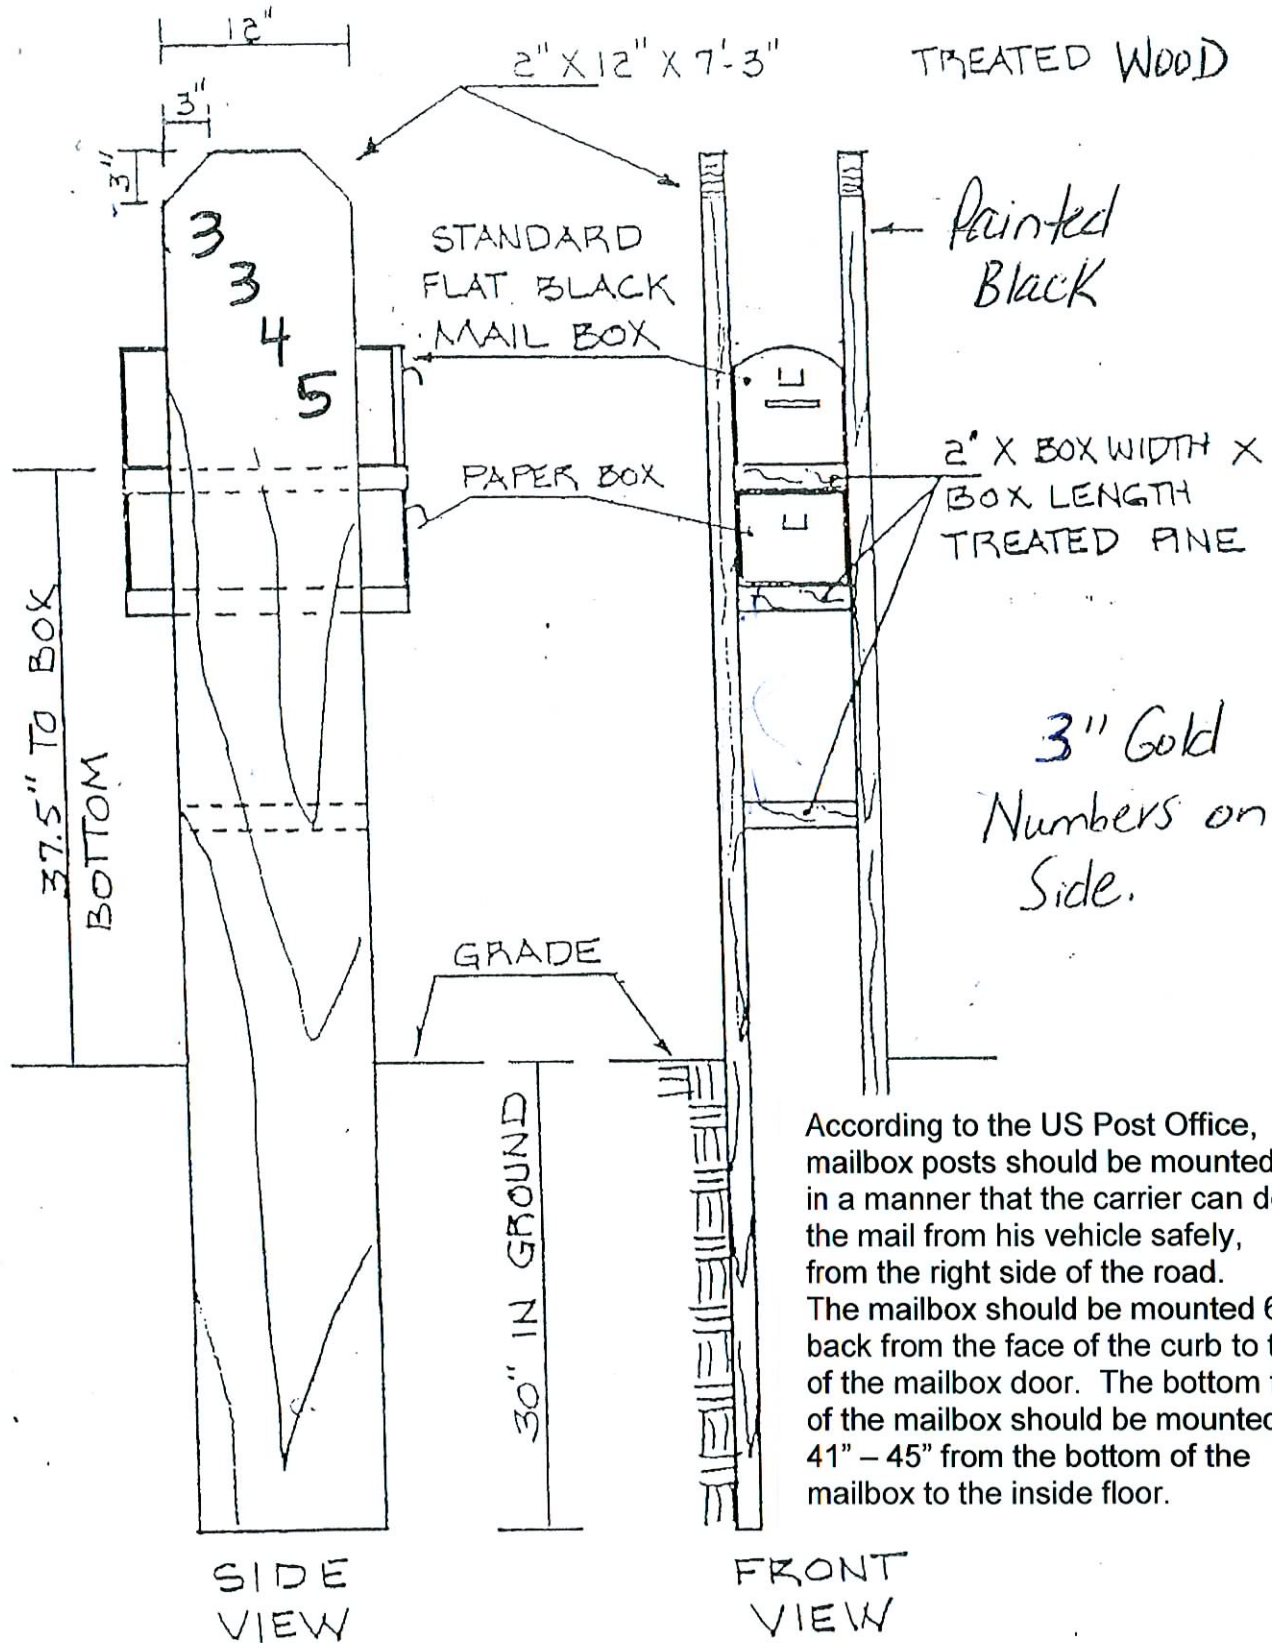

Attached please find specifications for mailbox repairs or installation.

If you currently have one of the original wooden mailboxes you have two choices:

- 1) Repair or replace your wooden mailbox stand in the approved wooden style. Stand must be painted black with a black box and numbers should be 3" and gold on the side of the stand. (see specification attached)
- 2) Replace your wooden mailbox stand with the approved aluminum style mailbox and stand per the attached specifications.

If your lot is located in Phase IV or higher you are required to utilize the community approved black aluminum mailbox stand and box per the attached specifications. Additionally, if you have an existing aluminum mailbox, it must be repaired or replaced per the attached approved aluminum mailbox specification.
