No paved area, fence, wall, shrubbery, building, or any other structure or thing shall be placed or maintained upon any Lot or any Commercial Parcel, nor shall any exterior addition, change (including change in exterior colors) or alteration be made to existing improvements thereon until detailed plans and specifications of the same, prepared by a duly licensed architect, engineer, landscape architect or other similarly qualified professional, are submitted to and approved in writing by the Association as to harmony of external design, compliance with the terms of this Declaration and location in relation to surrounding structures and topography. The Association shall have the absolute right to refuse approval of any plans, which in its opinion are not suitable or desirable or do not comply with this Declaration. Notwithstanding the foregoing or anything herein otherwise provided, the Association shall have the right and a perpetual easement to locate, construct and maintain a fence around the perimeter of the Magnolia Point Property or any portion thereof.

Prior to review of the proposed improvements, the Association may require submission of all or any of the following documents, as are applicable to the proposed improvements:

2.3 Estate Lot Family Residences; Maximum Height; Minimum Square Footage. No residence or other permitted structure located on an Estate or Clubhome Lot shall be in excess of two and one half stories in height, or shall contain less than 2,000 square feet of heated and air-conditioned enclosed living space for Estate or Clubhome Lots, or 1,200 square feet for Golf Villa Lots, unless written approval of the Association is first secured, which approval may be arbitrarily withheld.

For Golf Villa Lots, Multi-Family Lots or Commercial Parcels, it is recognized that establishment of standard inflexible setback lines may tend to force construction of buildings in such a manner as to have a detrimental effect on privacy, view,

preservation of natural vegetation and trees, traffic flow and other similar considerations. Accordingly, no specific setback lines are established herein, but the Association shall approve, as a part of its review pursuant to Section 2.2, the precise location and site of all structures to be constructed on any Golf Villa Lot, Multi-Family Lot or Commercial Parcel. The Association shall have the right to increase, decrease or otherwise modify any of the above requirements in the process of approval pursuant to Section 2.2, so long as such changes shall preserve the general harmony of the Magnolia Point Development and shall not materially impair the value or use of the parcel for which such approval is sought or of any other parcel. For the purpose of this Section 2.5, fences, walls and unroofed and unscreened patios shall not be considered part of a building and may be erected outside of setback lines, subject to Association approval as provided in Section 2.2, and other applicable provisions of this Declaration.

2.6 Time of Construction – all homes shall be completed within one year of the commencement of construction which shall be deemed to start when the lot is cleared for construction. If for any reason said construction is halted for more than 180 days, the owner shall remove any and all construction materials and improvements permanent or otherwise and the lot restored to its original condition. Violation of the restriction may result in the maximum daily fine of \$100.

3.12 Parking, Storage, Repairs, Driveways. ~~No vehicles or boats (including, but not limited to boat trailers, travel trailers, camp trailers and motor homes) or any similar property shall be kept on any part of the Platted Property, except such areas as may be specifically reserved and designated for such use, or stored on any Lot except within a garage or an enclosed screened area and except that private passenger automobiles of the occupant of a Dwelling Unit and guests, having no commercial signs, may be temporarily parked in the driveway or parking area of the Dwelling Unit and except that other vehicles may be parked in such driveway or parking area during the time necessary for delivery and pickup service and solely for the purpose of such service. The Association shall have the right to approve the use of one or more contiguous Lots, all or part of any Lot, all of one Lot and part of a contiguous Lot or Lots, or any combination of contiguous parts of Lots which will form an integral unit of land suitable for use as a residential building site.

3.17 Roadways; Easements; Traffic Control.

(a) All of the Roadways are and shall remain privately owned and shall be the sole and exclusive property of the Developer, its successors, assigns, grantees and nominees, if any. Developer may relocate, extend or close any part of the Roadways, so long as all Owners (and mortgagees) contiguous to that part of any Roadway being relocated, closed or extended, consent thereto and so long as no Owner is denied reasonable access to a public dedicated street at the boundary of the Magnolia Point Property. Developer shall have the sole and absolute right at any time to dedicate to the public all or any part of the Roadways and all or any part of the easements reserved herein. All costs of such transfer shall be paid by the Association. Upon such conveyance, the Association shall succeed to all rights thereto of the Developer hereunder including, without limiting the generality of the foregoing, the rights reserved to the Developer under subparagraphs (b) and (c) of this Section 3.17.

(b) Developer hereby grants to the present and future owners of the Golf Course and all present and future Owners, and to the lawful occupants of any buildings located within the Platted Property, and to their guests, invitees and domestic help, and to delivery, pickup emergency medical care and fire protection services, police and other authorities of the law, mail and parcel carriers, representatives of utilities authorized to serve the Magnolia Point Property, holders of mortgage liens on the Magnolia Point Property or any part thereof and such other persons as Developer may from time to time designate, the non-exclusive and perpetual right of ingress and egress over and across the Roadways, subject however, to the right of Developer to install, erect, construct and maintain utility lines and facilities in such Roadways. Notwithstanding the foregoing provisions of this paragraph, Developer reserves and shall have the unrestricted and absolute right to deny ingress to any person who, in its opinion, may create or participate in a disturbance or nuisance on any part of the Magnolia Point Property and shall have the unrestricted and absolute right to restrict or in any manner limit the ingress of any party through the use of a controlled or guarded entranceway to the Magnolia Point Property upon such terms and conditions as the Developer may reasonably determine.

(c) In addition, Developer shall have the right, but no obligation, from time to time to control and regulate all types of vehicular traffic and parking on all or any part of the Roadways. Developer shall have the right, but no obligation, to remove or require the removal of any fence, wall, hedge, shrub, bush, tree or other thing, natural or artificial, placed or located on any Lot or Commercial Parcel, if the location of the same will, in the sole judgment of Developer, obstruct the vision of a motorist upon any of the Roadways. Developer shall also have the right to enforce claims for damage against any Owner responsible for damages to any Roadway. In the event and to the extent that the Roadways referred to in this subsection or easements over and across such Roadways for ingress and egress shall be dedicated to or otherwise acquired by the public, the preceding provisions of this paragraph relating to Roadways thereafter shall be of no further force or effect.

3.18 Waterways. All lakes, ponds, creeks and streams (hereinafter "waterways") now existing or which may be hereafter created, within the Magnolia Point Property, shall belong to the Developer unless specifically conveyed by Developer to an Owner as part of a Lot or unless conveyed by Developer to the Association as part of the Common Area. Even if so conveyed, the Developer reserves the right to regulate the level and flow of water therein and all use thereof. No power boats shall be permitted on such waterways and no Owner shall have any right to construct bulkheads, docks, boat houses, piers or other similar facilities on such waterways, nor any right to pump or otherwise remove any water from such waterways for the purpose of irrigation or other use, nor to place rocks, stones, trash, garbage, sewage, storm or other waste water, rubbish, debris, ashes or other refuse in such waterways or on any other portion of the Magnolia Point Property, without the written consent of the Developer. The Developer shall have the sole and absolute right to control the water level of such waterways, to construct bulkheads, docks, piers or other similar facilities and to control the growth and eradication of insects, plants, fowls, reptiles, animals, fish and fungi in and on such waterways, and to control the height, grade and contour of any embankment. Developer may delegate or assign such rights granted herein to the Association.

3.19 Wetland Areas and Conservation Buffers. Prior to initiating any clearing, construction, dredging or filling within the wetland areas or vegetated buffer limits delineated on the recorded plat, the lot owner shall apply to St. John's River Water Management District for a permit modification for such work.

3.20 Common Area. Each Owner shall have the non-exclusive right in common with the Developer and the owner of the Golf Course, to use the Common Area, subject to reasonable rules and regulations for such use enacted by the Association.

3.21 Drainage. No changes in elevation of property shall be made which will cause undue hardship to any adjoining property with respect to natural run-off of storm water or which shall result in any alteration of the drainage system for the Platted Property and the lands adjacent to or near the Platted Property, or which in the sole opinion of the Developer, shall in any way effect the drainage system for the benefit of the Platted Property and lands adjacent to the Platted Property without the prior written consent of the Developer. Developer reserves for itself, its successors and assigns, an easement in and over all lakes, streams and waterways in the Magnolia Point Property for drainage of any and all portions thereof.

3.22 The Association shall be responsible for the maintenance, operation and repair of the surface water or storm water management system. Maintenance of the surface water or storm water management system(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or storm water management capabilities as permitted by the St. Johns River Water Management District. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the surface water or storm water management system shall be as permitted, or if modified as approved by the St. Johns River Water Management District.

3.23 The association Board of Directors may suspend for a reasonable period of time, the rights of a member or a members tenant or guests to use the common area. The Association may also impose reasonable fines not to exceed \$100 per violation against any member, tenant or guest violating the governing documents. Prior to imposing either a fine or suspension, a hearing must be held before the Rules and Enforcement Committee to afford the alleged violator an opportunity to be heard on the issue. At least 14 days notice of the hearing must be given. A majority of the committee must vote affirmatively to impose the fine or suspension and no suspension of the common-area-use rights may impair the right of an owner or tenant to have vehicular or pedestrian ingress and egress to and from the community.

3.24 Additional Covenants and Restrictions. Other than the Developer, no Owner of any part of the Platted Property shall without the prior written approval of the Association, impose any additional covenants or restrictions on any part of the Platted Property.

No well of any kind shall be constructed on any Lot or Commercial Parcel to provide potable water for use thereon, and no potable water shall be used except potable water which is obtained from the City of Green Cove Springs, or its successors or assigns. Nothing herein shall be construed as preventing the digging of a well to be used exclusively for air-conditioning, irrigation or the filling of swimming pools. All sewage from any improvement on the Platted Property must be disposed of through the sewage lines and disposal plant owned or controlled by the City of Green Cove Springs, or its successors or assigns.

Additional easements may be reserved or granted by the Developer at any time prior to the time any Lot or Commercial Parcel affected by such easements is conveyed by the Developer to a third party. Within the easement areas, no structure or other improvements or landscaping shall be placed or permitted to remain which may damage or unreasonably interfere with the installation and maintenance of utilities and drainage facilities and the Owners shall bear the risk of loss of any such structure, improvement or landscaping except as otherwise provided in Section 2.2 Notwithstanding such restrictions, all easement areas, areas within any setback line, and all improvements therein, shall be maintained continuously by the Owner. All utility lines serving one Lot or Commercial Parcel only from the point where such line connects to the main line shall be maintained by the Owner of that Lot or Commercial Parcel.

The Assessments shall be uniform in dollar amount for each category (ex. Lots) and shall be set by the Board, subject to approval of the Association. The regular maintenance assessment may be adjusted by the Board as required to meet the expenses and other charges for which same are assessed. Regular maintenance assessments shall become delinquent if not paid within 15 days after their due date for which assessed and shall bear interest at the rate of eighteen percent (18%) per annum from that date until paid.

(b) Initial Regular Maintenance Assessments are established as follows:

(i) Estate Lots - \$540 per year;

(ii) Patio Lots - \$480 per year;

(iii) Unimproved Multi-Family Lots and Commercial Parcels - \$500 per year per acre located therein;

(iv) Improved Multi-Family Lots - \$360 per year for each multi-family unit constructed thereon; and

(v) Improved Commercial Parcels - \$400 per year for each 2,000 square feet of heated and cooled floor space contained within improvements located thereon.

Assessment as an "improved parcel" shall not begin until completion of construction of the improvements to be located thereon; and whenever the assessment begins for an "improved parcel" as provided above, all previously applicable assessments shall cease.

5.3 Increase in Assessments. The maximum amount of any regular maintenance assessment imposed by the Board shall not exceed the amounts shown in Section 5.2 above for a period of 12 months following the initial recording of this Declaration. Thereafter, the regular maintenance assessment may be increased by no more than ten (10%) per cent of the regular assessment for the immediately preceding month. In

the event of any such increase, such assessment shall not be thereafter increased for a period of twelve (12) months. The right to make adjustments to the regular maintenance assessment shall be cumulative and the Board's failure to increase the regular maintenance assessment for one or more years (or a part of a year) shall not preclude adjustments being made to compensate for those years (or parts of a year) at a later time. However, in no event shall the regular maintenance assessment be cumulatively increased by an amount greater than thirty (30%) percent of the regular assessment for the immediately preceding month. Notwithstanding the foregoing, the regular maintenance assessment for any category listed in Section 5.2 may be increased in excess of the amounts set forth above and more frequently than set forth above if such increase is approved by a majority vote of Owners (other than the Developer) in each such category of assessment.

5.4 Special Assessments. The Association shall have the power to impose special assessments to meet expenses of an extraordinary or emergency nature, provided that if the sum of all special assessments in any 12 month period exceeds 50% of the then applicable regular annual assessment, then such special assessment must be approved by not less than 75% of Owners (other than the Developer) to whom such assessment is applicable. Any special assessment which is not paid within fifteen (15) days after the Owner receives written notice of such assessment shall bear interest at the rate of eighteen percent (18%) per annum unless otherwise specified.

5.5 Privately Owned Golf Course. The Golf Course is owned by the Developer. It is operated as a private golf course and country club (the "Club") for the benefit of club members. Club membership is a privilege extended by the owner of the Golf Course and purchase of a Lot, Dwelling Unit or Commercial Parcel does not automatically include any ownership rights or membership privileges in the Golf Course. Owners desiring to join the Club must apply for membership and be approved therefore pursuant to rules and regulations of the Club. The "Club-House", Maintenance Barn, Cart Barn and Stables are also owned by the Developer.

5.6 Platted Property of Developer. Notwithstanding anything herein to the contrary, no assessment shall be charged and no lien shall attach against any Lot, Dwelling Unit, Commercial Parcel or other portion of the Platted Property so long as same is owned by the Developer and the Developer shall not be required to pay any such assessments, it being understood that the Developer will bear much of the expense of the Association until the Association is self-supporting from assessments levied against Owners of Lots or Dwelling Units purchased from the Developer.

5.7 Lien. Each regular and special assessment and interest thereon as provided herein shall constitute a debt from the owner of the property against which the same shall be assessed, and shall be secured by a lien upon that property and all improvements thereon. Such lien shall attach as of the date a notice of lien is filed with the Clerk of the Circuit Court of Clay County, Florida, and may be enforced as any other lien in Florida by foreclosure or by any other proceeding in equity or at law and the Association shall be entitled to recover all costs, including reasonable attorneys fees in such proceedings. Each such lien shall be subordinate and inferior to the lien of any institutional mortgage encumbering such property if that mortgage was recorded in the public records of Clay County, Florida, prior to the recording date of such lien. Upon request, the Association shall furnish any Owner or mortgagee a certificate showing the unpaid assessments, if any, against the property of such Owner or mortgagee.

6. MEMBERS AND VOTING RIGHTS

6.1 Memberships. Every Owner and the Developer shall be a member of the Association as provided below.

6.2 Classes. Membership shall be divided into two classes as follows:

- (a) The Class A members shall be all Owners (other than the Developer, as long as Class B membership shall exist) of Lots, Dwelling Units or Commercial Parcels.
- (b) The Class B member shall be the Developer, or its successors and assigns.

Class A memberships shall be appurtenant to ownership of a Lot, a Dwelling Unit or a Commercial Parcel and shall not be separated from such ownership.

6.3 Voting Rights. Until such time as the Developer has conveyed to third parties all the Lots and Dwelling Units within the Magnolia Point Development, the Class B member shall have sole voting rights in the Association and the Class A members shall have no voting rights except as to matters specifically set forth herein and except for altering or amending the Articles of Incorporation or Bylaws of the Association, which rights shall be as provided in the Articles of Incorporation. Thereafter, voting rights shall be as follows: Each Class A member shall have one vote for each lot owned on all matters to come before the Association.

7. RIGHTS OF DEVELOPER

In addition to rights elsewhere reserved, Developer hereby reserves to itself, its successors and assigns, the following rights and privileges:

7.1 Rights Regarding Temporary Structures, Etc. Developer hereby reserves the right to erect or maintain such dwellings, model houses, sales offices or other structures, and commercial and display signs as Developer, in its sole discretion, may deem advisable for development and marketing purposes. Nothing contained in this Declaration shall be construed to restrict the foregoing rights of Developer.

7.2 Enforcement by Developer. Developer reserves the right, but shall have no obligation, to enter upon any Dwelling Unit, Lot or Commercial Parcel to remove rubbish, signs, structures, plants or other things or to take such other action, all at the expense of the Owner, as Developer deems necessary in order to enforce this Declaration. Such entry, enforcement and removal shall not be deemed a trespass or make Developer liable in any respect for any damages on account thereof. The Owner of such Dwelling Unit or Lot shall pay Developer on demand the actual cost of such enforcement plus ten percent (10%) of the cost in performing such service as a service fee. In the event that such charges shall not be paid on demand, such charges shall bear interest at the maximum legal rate of interest from the date of demand. All Dwelling Units, Lots and Commercial Parcels shall be subject to a lien in favor of the Developer for all such costs and fees and Developer may, at its option, bring an action at law against the Owner personally obligated to pay the same, or upon giving the Owner ten (10) days notice of an intention to file a claim of lien against a Dwelling Unit, Lot or Commercial Parcel, may file and thereafter foreclose such lien.

8. AMENDMENT

8.1 Amendment by Developer Without Owner Approval. Developer reserves the right, without prior approval of any Owner:

- (a) To designate any lots shown on the plat as either a "Multi-Family Lot(s)" or a Golf Villa Lot(s)".
- (b) To amend this Declaration for any other purpose so long as such amendment shall conform to the general purposes and standards set forth herein and shall not materially and adversely affect the rights of any Owner;

(c) To amend this Declaration for the purpose of curing any ambiguity in or any inconsistency between the provisions set forth herein;

(d) To include in any contract for sale, deed, or other instrument hereafter made, any additional covenants other than those set forth herein which do not lower the standards of this Declaration;

(e) To release any Dwelling Unit, Lot, Commercial Parcel or other portion of the Platted Property from any part of the covenants set forth in this Declaration which have been violated, if the Developer, in its sole discretion, determines such violation or violations to be minor or insubstantial and to make exceptions, without prior approval of any Owner, to the covenants and restrictions set forth in Sections 2 and 3 hereof if Developer deems such exception to be in the best interest of Magnolia Point Development;

(f) To file an amendment to this Declaration for the purpose of submitting other property to the terms and provisions of this Declaration, it being specifically understood that Developer owns additional land within the overall Magnolia Point Development which Developer intends to include under these covenants at some time in the future. Any such amendment may contain such additions or modifications as Developer shall provide, so long as such additions or modifications to these covenants do not materially increase the membership obligations or expenses appurtenant to any existing Dwelling Unit, Lot or Commercial Parcel in the Magnolia Point Development. Such an amendment may be accomplished by filing a statement among the public records of Clay County incorporating such terms, covenants and restrictions of this Declaration as are applicable to the property included within such amendment or by adopting all or part of this Declaration by reference in a deed conveying such other property or in any other appropriate instrument or by Developer executing and filing an amended or restated declaration.

8.2 Any amendment to the Covenants and Restrictions which alter the surface water or storm water management system, beyond maintenance in its original condition, including the water management portions of the common areas, must have the prior approval of the St. Johns River Water Management District.

8.3 Amendment With Owner Approval. In addition to the rights of the Developer to amend this Declaration as reserved in Section 8.1, and notwithstanding the limitations on voting rights set forth in Section 6, this Declaration may be amended at any time upon the request of the Developer, if such requested amendment is approved by the affirmative vote of 75% of votes cast by Owners other than the Developer at a duly called meeting of the Association, the notice for which meeting has contained notice of the proposed amendment. Upon the approval of any such amendment, the President and Secretary of the Association shall execute and record the same in the public records of Clay County, Florida.

## 9. ENFORCEMENT

9.1 The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the surface water or storm water management system.

10. CENTRAL TELECOMMUNICATION  
RECEIVING AND DISTRIBUTION SYSTEM

10.1 Cable TV Developer hereby reserves unto itself, its successors and assigns, an exclusive easement for installing, maintaining and supplying the services of any central telecommunication receiving and distribution system serving the Platted Property, including the right to connect any central telecommunication receiving and distribution system to such source as Developer may, in its sole discretion, deem appropriate, for which service Developer, its successors and assigns, shall have the right to charge the Association and/or individual Owners for CATV service to single-family residents as from time to time defined by the Ordinances of Clay County, Florida.

11. MISCELLANEOUS

11.1 Remedies for Violation. In addition to Developer's rights as reserved in Section 7.2, Developer, any Owner or the Association shall be entitled to bring actions at law for damages or in equity for injunctions against those parties violating or attempting to violate this Declaration, for the purpose of curing, correcting, preventing or enjoining any violation or attempted violation of the terms of this Declaration. All costs and expenses, including, but not limited to reasonable attorney's fees, incurred by Developer, any Owner or the Association to cure, correct, prevent, or enjoin any violation of the terms of this Declaration shall be recoverable against the party causing such violation. All remedies herein shall be cumulative to any and all other remedies provided elsewhere herein or at law or equity. The failure to bring any action to enforce this Declaration or to correct any violation of this Declaration shall not be deemed a waiver of the right to do so thereafter as to the same breach or as to one occurring prior or subsequent thereto, nor shall such failure give rise to any claim or cause of action by any Owner or any other party against the Developer or the Association.

11.2 Term. The terms and provisions of this Declaration shall run with the title to the Platted Property and any part thereof and unless otherwise altered or terminated in accordance with the terms and provisions herein, shall bind all persons in interest, all Owners and their heirs, legal representatives, successors and assigns until December 31, 2115, at which time this Declaration shall automatically be extended for successive periods of ten (10) years each, unless, by mutual agreement of not less than 80% in number of the Owners, this Declaration shall be terminated in whole or in part; provided, however, and notwithstanding the foregoing, the easements herein shall be perpetual.

11.3 Disclaimer. Neither the Developer nor the Association shall be liable to any Owner or other person for any loss or damage arising from any cause whatsoever, including without limitation the provision of, failure to provide, or negligence in provision of security, maintenance, repairs or other services by the Developer or the Association or either of them.

11.4 Invalidity of Part. The invalidation of any one of the terms or provisions of this Declaration shall in no wise affect any other provisions, which provisions shall remain in full force and effect.

11.5 Headings. The section headings herein have been inserted for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction.

11.6 Evidence of Approval. All approvals required in this Declaration shall be evidenced by a certificate or other writing signed by the party giving such approval.

11.7 Assignment of Developer. The Developer shall have the sole and exclusive right at any time to transfer and assign any or all rights, powers, privileges, authorities and reservations it may have under any paragraph of this Declaration to such other person or entity as it shall elect. No such assignment shall require the consent of any Owner and in the event any such right is assigned, the Assignee shall assume all obligations of the Developer so assigned and the Developer, its officers, directors and stockholders shall thereupon be relieved of any and all obligation or liability with respect thereto.

IN WITNESS WHEREOF, the Developer has executed this Declaration as of the day and year first above written.

ANNEXATION AGREEMENT

THIS ANNEXATION AGREEMENT, entered into in duplicate this 6<sup>th</sup> day of October January, 1986 by and between THE CITY OF GREEN COVE SPRINGS, FLORIDA (CITY), and FORBESTRUST LTD, INC., a Florida Corporation, and JOHN FORBES, individually, hereinafter both referred to "FORBESTRUST" and provides:

W I T N E S S E T H:

WHEREAS, FORBESTRUST is the owner of approximately 1,000 acres (real estate) located in Clay County, Florida, which is adjacent to the northerly city limit line of the CITY; and,

WHEREAS, the FORBESTRUST real property provides a substantial opportunity for expansion of the real estate tax base for the CITY and extension of the market for the distribution and sale of various CITY utilities; and,

WHEREAS, the CITY and FORBESTRUST desire that the real property owned by FORBESTRUST and not heretofore located in the CITY be annexed by the CITY, subject to the terms and conditions hereof; and,

WHEREAS, FORBESTRUST, as the sole owner of all of the real estate (as hereinafter defined) proposed to be annexed, has, or does by this agreement petition the CITY to annex the real estate, pursuant to Florida Statutes, Section 171.044; and,

WHEREAS, the request for annexation in this agreement bears the signatures of all of the owners in the area to be annexed; and,

WHEREAS, the area proposed to be annexed is contiguous to the CITY, reasonably compact, and its annexation will not create an enclave.

NOW, THEREFORE, in consideration of the premises hereinabove stated and mutual promises hereinafter set forth, the parties agree as follows:

1. FORBESTRUST agrees and hereby consents to and petitions the CITY to approve the annexation by the CITY of the real property, as described by metes and bounds, on Exhibit "A" attached hereto and by reference incorporated herein.

2. The CITY shall be responsible for taking the necessary action to pass applicable ordinances to effect the annexation of the real estate.

3. Prior to the effective date of the annexation ordinance, FORBESTRUST shall submit to the CITY, on a form acceptable to the City Attorney, a current fee title insurance policy indicating its sole ownership of the real property described in Exhibit "A" and showing all liens and encumbrances.

4. Prior to the effective date of the annexation ordinance, FORBESTRUST shall submit to the CITY a written consent to such annexation by any and all persons, corporations, partnerships or other legal institutions holding a property interest in the subject property, whether they are owners, lien holders, mortgagees or otherwise.

5. If applicable, on or before the effective date of the annexation ordinance, FORBESTRUST shall submit to the CITY written documentation of the approval of Clay County, Florida, to such annexation by the CITY.

6. The request for annexation by FORBESTRUST, as outlined above, shall be irrevocable, unless the CITY Council consents in writing to a withdrawal by FORBESTRUST.

7. FORBESTRUST hereby irrevocably consents to and requests the City of Green Cove Springs to furnish its entire real property with electrical, wastewater, garbage collection, water to other CITY utilities.

Subject to applicable City, County and State laws, the CITY agrees to furnish the aforementioned services and also all other City services normally furnished to all City residents.

8. By execution of this Agreement, FORBESTRUST hereby grants and conveys unto the CITY an undesignated easement and right-of-way over, under and across the real estate, at such locations as shall not cause damage to the improvements located on said real estate, for the purpose of operating, maintaining, removing or replacing wastewater, water and electric systems and related equipment. More specific easements shall be granted by FORBESTRUST to the CITY on all lands necessary for the CITY to furnish such utilities to FORBESTRUST. Said written easements shall be furnished by FORBESTRUST, on a form to be approved by the City Attorney, within 30 days from request of same by the City. Said easements shall not be inferior to any liens or mortgages of record.

9. FORBESTRUST grants to the CITY an exclusive right for the collection of all solid waste to be collected from the real property. The CITY agrees to abide by the various covenants and restrictions imposed upon all real property owners within the subject property, and FORBESTRUST recognizes that City ordinances may have to be adjusted accordingly, as to the cost of service, depending upon the method and manner of pickup of such solid waste by the CITY.

10. FORBESTRUST grants the City police and fire departments and public safety personnel the right to travel the private roads located within the real property at all times necessary to furnish said services to the property.

11. The CITY agrees to allow FORBESTRUST to beautify that certain real estate area owned by the CITY, being a strip of land 40 feet wide and immediately adjacent to the south side of the Harbor Industrial Park Road, except that portion immediately in front of the City electrical building. Said use shall be non-exclusive and open to the public on terms and conditions to be set by the City Council. The CITY specifically reserves the right to review and approve all plans for such beautification and construction, prior

?

as CITY TRUST

to the same being installed. Furthermore, the CITY reserves the right, upon two year's notice to FORBESTRUST, to discontinue such nonexclusive easement herein granted to FORBESTRUST. In exchange, and during the nonexclusive easement time period, FORBESTRUST agrees to berme up and install a passive park, complete with shrubs and other beautification amenities, and to maintain the same in as good a condition as the front entrance of the subject subdivision, including the timely cutting of grass, fertilizing, mulching and other necessary upkeep, including the installation of irrigation. All of said construction and upkeep shall be at the expense of FORBESTRUST, and all personal property or planting shall become City property, when placed upon the subject strip of land. In addition, that certain land at the western-most section of the Harbor Road, as it meanders to the south, is desired to be used by FORBESTRUST.

The CITY grants to the public, a permanent, passive-recreation area in the area described as follows:

Per Exhibit "B" attached hereto.

FORBESTRUST and the Homeowner's Association of lot owners in the subject subdivision shall be obligated to maintain said area in the same condition as the aforementioned 40' buffer strip. Failing to so maintain and after being given 60 days notice to correct said conditions, the CITY shall allow said area to revert to general CITY use for purposes as its sees fit.

12. Not later than 150 days from the date of the execution of this agreement, the CITY shall pay for, obtain permits for, install and make operational that certain wastewater and water utility system serving the first 197 lots on the real estate, as more particularly described in Exhibit "C" (engineers, drawings). In consideration of the aforementioned utility installations, FORBESTRUST agrees to repay the CITY the entire cost incurred by the CITY for said above-described wastewater and water installations. Entire Cost is defined as \$1,500.00 per lot (\$295,500.00 total) with CITY furnishing labor, materials, and machinery only with developer furnishing timely engineering services, as required by the CITY.

The method of payment by FORBESTRUST to the CITY shall be on a per lot assessment basis. As FORBESTRUST closes the sale on each lot in the subject real property, he shall repay the CITY immediately the sum of \$1,500.00 per lot. The CITY shall prepare a "lot assessment release" for presentation to FORBESTRUST at each closing. Regardless of the rate at which lots are sold and the CITY reimbursed, the then remaining unpaid sum due the CITY by FORBESTRUST shall become due and owing no later than three years from the date of installation and operation of said portion of the utilities. In the event the CITY grants an extension of time for said repayment by FORBESTRUST, and provided said extension is granted by subsequent ordinance of the City Council, then at such time interest shall begin to accrue on all sums due for three years or longer at the rate of nine percent per annum until paid in full. The maximum repayment period, together with accrued interest, shall in no event exceed five years from the date of installation and operation. Unless released by the CITY, this expenditure of funds by the CITY shall constitute a special lien and assessment upon the individual lots which are to be served by said wastewater and water extensions. This agreement shall be recorded in the public records and serve notice of such lien. FORBESTRUST shall be immediately responsible for the amount of any extra costs of installing the utility system occasioned by its actions, to wit: removing, altering or relocating improvements to the real estate prior to the CITY'S installation of utilities, or material purchases not disclosed in Exhibit "D" attached hereto.

The CITY agrees to purchase those materials and supplies in Exhibit "D" from FORBESTRUST or the supplier, at the CITY'S option. Furthermore, should the CITY determine that any of the listed materials can be purchased by the CITY for a lesser amount, then, in that event, the CITY shall have the option to purchase said materials from such alternate source, with or without the necessity for competitive bidding.

As to future, contiguous phases of the development, the CITY and FORBESTRUST shall enter into a mutual agreement, as to the method and cost of further utility expansions.

13. FORBESTRUST and its sole stockholder, John Forbes, individually, shall and do hereby guarantee all monies and duties owed to the City of Green Cove Springs under the terms of this agreement.

14. This agreement shall in no way prohibit or lessen the collection of those fees required for connections to the City wastewater, water and electric systems, including, but not limited to, tap fees, connection fees, trust fund charges and other applicable requirements.

15. ZONING

The City of Green Cove Springs agrees to and does hereby accept the subject real property, as presently zoned, for a planned unit development (PUD). Said zoning has heretofore been approved by the Clay County Commission and the CITY accepts the requirements of the planned unit development and FORBESTRUST agrees to comply with all applicable requirements of the County PUD approval. FORBESTRUST will not build in excess of 550 dwelling units on the subject site without further City Council ordinance approval. FORBESTRUST also agrees to obtain a phase by phase site plan and subdivision approval from the City Council pursuant to the then existing site plan and subdivision Ordinances, as the development progresses. The CITY hereby accepts phase one of the entire development (197 lots), as far as the site plan approval process is concerned. (See Exhibit "E" attached hereto and by reference made a part hereof.) If applicable, the CITY approves phase one for subdivision platting purposes, provided the same conforms to the PUD previously approved by Clay County.

16. All wastewater and water utility components constructed by the City of Green Cove Springs up to and including the various meters, shall remain the property of the City of Green Cove Springs, Florida.

17. The developer represents, as a key element and requirement of his site plan and PUD approval of phase one, that he

PP (S. 11111111)

will construct and have operational the clubhouse, golf course, and other related amenities no later than September, 1986.

18. In agreeing to furnish the aforementioned utilities, the CITY represents that it has sufficient capacity to serve said utilities to the entire planned unit development on the subject real property.

19. Simultaneous with the execution of this agreement, the attorney for FORBESTRUST, Glen Cohen, shall submit to the CITY his legal opinion indicating that FORBESTRUST has the full right and authority to enter into this agreement, and that the fact that various individuals or business entities may have entered into binding real estate contracts to purchase parcels of land within the subject property does not legally prevent FORBESTRUST from petitioning the CITY for voluntary annexation or executing this agreement.

20. FORBESTRUST shall only be liable for that prorata share of all City taxes, license fees, permit fees or any other financial charges which the remaining portion of any applicable calendar or fiscal year in which this annexation occurs bears to the full calendar year or fiscal year upon which the financial charge is based.

21. FORBESTRUST warrants and represents that it has no knowledge of any law, regulation, or pending or threatened litigation to which it is a party or may become a party, which would or could have an adverse effect upon the present or future operation of the development or could in any way prevent the subject property from being annexed into the CITY per the terms of this agreement.

22. Except as otherwise mentioned herein, all new construction on the subject property shall conform to applicable City ordinances and building codes. If a building permit fee was paid to Clay County, they shall be allowed to inspect the construction for which said fee was paid. All other construction shall be subject to CITY inspection and permitting requirements.

23. On or before the effective date of this agreement, FORBESTRUST shall provide the CITY with an opinion of counsel that

the subject real estate is owned by FORBESTRUST, and that FORBESTRUST is a Florida Corporation in good standing, authorized to do business in the State of Florida, and has authorized John Forbes, it's president, to execute this agreement in its behalf.

24. This agreement shall be irrevocable on both parties and shall become fully effective on the day that the ordinances are adopted by the governing body of the City in accordance with Florida Statutes Annotated Section 171.044 approving this agreement and providing for the annexation of the real estate. Should the City Council fail to adopt said ordinances, this agreement shall be null and void and the CITY shall be entitled to an immediate and full refund from FORBESTRUST, as to any funds expended in extending the subject utility system.

25. To the extent that any provision of this agreement is inconsistent or in conflict with any ordinance, rule or regulation of the City, but not inconsistent or in conflict with the Statutes of Florida, the Constitution of Florida or the Constitution of the United States, the provisions of the ordinance adopting and approving this agreement shall repeal such prior ordinances or portions thereof in conflict herewith, but only as to such conflicting portions and the remaining non-conflicting portions or such prior ordinances shall remain in full force and effect. This agreement shall become an ordinance of the CITY and be binding, as to the subject property only.

26. The prevailing party in any litigation arising out of this agreement, shall be entitled to recover a reasonable attorney's fees and costs.

27. This instrument expresses the entire understanding and agreement of the parties with respect to the subject matter hereof and may be changed only by a writing executed by an officer of FORBESTRUST and an authorized representative of the City acting pursuant to authority granted by the City Council.

28. This agreement shall be binding upon all successors in interest or assigns of the parties hereto.

29. MISCELLANEOUS

(a) Reasonable delays by the CITY in the performance of its duties herein, shall not entitle FORBESTRUST or any other person relying on this agreement to damages from said CITY.

(b) Each party shall be entitled to all available remedies at law, except that the CITY shall not be responsible for damages for alleged loss of profit or like damages. The CITY shall have the right to the remedy of judicial foreclosure on the liens created herein.

(c) Should the annexation be successfully challenged by an affected party, then FORBESTRUST shall immediately refund to the CITY all monies expended by the CITY on the utility extensions contemplated herein.

Subject: Water & Sewer Material Cost  
Phase One  
Magnolia Point Development

Dear Mr. Forbes,

Pursuant to your request for pricing of PHASE ONE WATER & SEWER SYSTEM materials, I submit the following proposal for your consideration:

My proposal is based on information furnished me on J. Lucas & Associates letter to Mr. Bassett dated March 3, 1985, and subsequent conversations with Mr. Lucas.

My proposal is for materials only and is broken down into two parts:

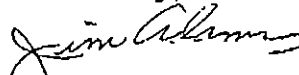

- (1) Water System
- (2) Sewer System

Pricing is firm through November 30, 1985, with placement of order not later than November 1, 1985.

TERMS: FOB, JOB SITE, 1%10, NET 30

Thank you for the opportunity to quote your needs, and if I can be of further assistance, please call.

Sincerely,

  
Jim Adams

\*NOTE: Prices listed for pumps are prices given me this A.M. by Phelps Pump Co., Orlando, Fl., after conversations with Mr. Lucas, and as you see, they are \$5,000.00 higher than Lucas' original estimate. Because I do not have the required technical data on the pumps, I was unable to obtain competitive pricing. I suggest you purchase pumps direct, or if time allows and technical data is obtainable, I will assist in obtaining pricing and procurement.
